

# MADISON HANDI-KIT™

**Plural Component  
Coating Performance  
Made Easy**

**\$1,595.00  
Complete**

**Spray Gun Assembly**

You've read and heard about the performance benefits of plural component coatings: solvent-free, safe, quick cure, high build, superior performance. You are also aware that some of the leading edge coating products require expensive application equipment and specialized training. The good news is "not necessarily".

Madison plural component technology is now within the reach of virtually every coating professional, thanks to our new Handi-Kit™.

Your \$1,595 Handi-Kit™ investment includes virtually everything you need<sup>(1)</sup>:

- Plural component spray unit
- A supply of mixers and nozzles
- A combination in-line air purifier and dehumidifier<sup>(2)</sup>
- 6 double cartridges of the Madison coating of your choice.

**Pre-loaded Cartridge of  
Madison Coating**

**Dehumidifier and  
Air Purifier Combo**
